

BART Issues Request for Proposals for WSX LTSS Contract

The Request for Qualifications (RFQ) for the BART Warm Springs Extension Line, Track, Station and Systems (LTSS) Contract Number 02EE-120 was advertised on April 6, 2010. Qualifications statements were received on May 18, and on July 8 BART prequalified five Prospective Design-Build Entities (PDBEs).

On September 24, 2010 BART issued the Request for Proposals (RFP) for the Line, Track, Station and Systems Design-Build Contract to the five prequalified PDBEs. Only the five PDBEs will be eligible to submit a Proposal in response to the RFP. Electronic copies of the RFP are available on BART's procurement website at www.bart.gov/procurement. Please note that the electronic version is not for bidding purposes. If your company is interested in subcontracting opportunities for this project, please contact the [PDBEs](#) for information on how to join a team and bid on this project. A list of the PDBEs, with subcontracting contacts, is available on the [Warm Springs Main Page](#).

For questions regarding the RFP, please contact Sunni Gunawarderna at 510-464-6550. For questions regarding BART's Non Discrimination program, please contact Bendu Griffin at (510) 464-7657.
