

BERKELEY-EL CERRITO CORRIDOR ACCESS PLAN

Plans to transform BART parking lots into homes— How will you get to and from BART in the future?

BART is leading a **Corridor Access Plan** in collaboration with the cities of Berkeley and El Cerrito to identify options for people to get to and from the **El Cerrito Plaza**, **North Berkeley**, and **Ashby** stations before affordable and market-rate homes are built.

Online Open House & Survey

Please visit BART's third and final online open house for the Corridor Access Plan at **bartberkeleyelcerritocap.participate.online** starting on December 16, 2022, to learn more about:

- Strategies for accessing BART in the future
- BART rider parking at stations
- Development project timelines
- Community input received so far
- How access projects and programs would get implemented

You are invited to fill out the survey no later than Sunday, January 8, while visiting the online open house to provide input as a BART rider and/or community member (resident, worker) near BART.

More info at **bart.gov/beccap**.
