## STREET-LEVEL ELEVATOR OUT-OF-SERVICE AT CIVIC CENTER STATION December 14, 15 and 16

Dear Customer:

We apologize for the inconvenience that will be caused by the street-level elevator repair at Civic Center Station. The flooring needs to be replaced and the work should take no more than 3 days to complete.

While the repairs are going on, **the elevator will not be available for use**. Passengers who rely on the elevator should plan to use the elevator at a different station. We hope that once the work is complete, it will result in many more years of trouble-free operation.

Thank you for your patience.

To check the operational status of the elevators at nearby stations, please call 510-834-LIFT or 888-2-ELEVAT.
