# EXTERIOR IMPROVEMENTS TO ROCKRIDGE STATION Beginning May 21, 2012

Dear Customer:

Beginning Monday, May 21 and continuing through July, crews will be working on improvements to the plaza area at Rockridge Station. The existing landscape planter will be partially demolished to widen the plaza area. A concrete bench will be installed along with new landscaping, lighting, irrigation and signage.

Please watch for barricades and signage directing you around the construction area.

Please see the map of the work site on the reverse of this bulletin.

We apologize for any inconvenience this may cause you and appreciate your patience.
