

Tree & Shrub Removal Notification

Trees and shrubs in the areas highlighted in red will be removed to make way for construction of the BART Warm Springs Extension Fremont Central Park Subway.

Tree and shrub removal will begin in mid-September and last approximately two months. Trees will be replaced by the end of project construction.

For additional information contact our project information line at **510.476.3900** or email us at **bartwarmspringsextension@bart.gov**.
