

BART

Warm Springs Extension

Construction Notification # 31

Series of Detours Planned as Part of Restoration of Stevenson Blvd.

Construction Details

Summary of Activity

Detours along Stevenson Blvd.

Estimated Start Date

July 8, 2011 with other dates to be announced later in July

Estimated Duration

Up to 8 hours

General Work Hours

7 am to 7 pm
Monday through Friday
Saturday work as necessary

Lake Elizabeth Work Hours

7 am to 10 pm
Monday through Friday
8 am to 6 pm – Saturday

July 6, 2011

The first of three pedestrian and vehicular detours is planned for Friday, July 8 at 9 am. The detours are needed to restore Stevenson Boulevard, which has been impacted by construction for more than a year.

On Friday, the pedestrian sidewalk along the south side of Stevenson Blvd. will be restored. Pedestrians will be detoured away from the temporary bridge to the restored sidewalk.

The remaining two detours for removal of the temporary bridge will take place in late July of 2011. This work includes removal of the temporary bridge first from westbound traffic and, later in the month, from eastbound traffic. Look for future notices about these detours.

The work will include, but is not limited to:

- Placement and finishing of concrete work.
- Redirecting pedestrians from temporary bridges to the sidewalk.
- Removal of signs and road clean up.

All work is weather permitting.

We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our project information line at (510) 476-3900 or e-mail bartwarmsspringsextension@bart.gov. You can also visit our Community Relations Field Office located in Fremont Central Park off of Stevenson Boulevard Monday – Friday 8 am to 5 pm.
