The San Francisco Bay Area Rapid Transit District (BART) is hosting its 1st Annual Rolling Stock & Shops Vendor Fair. BART Rolling Stock & Shops has embarked on an aggressive new Strategic Maintenance Program (SMP) that requires a commitment to procuring parts and services from qualified vendors. The Vendor Fair will allow BART to describe SMP, Procurement Processes and the new Quality Assurance Prequalification Program, as well as, meet with vendors that provide parts and/or services on a regular basis. In addition it will provide an opportunity for potential new vendors to introduce their company to BART.
