San Francisco Bay Area Rapid Transit (BART) rail service connects the San Francisco Peninsula with Oakland, Berkeley, Berryessa, Walnut Creek, Dublin/Pleasanton, and other cities in the East Bay, as well as San Francisco International Airport (SFO) and Oakland International Airport (OAK).

Fare Information

effective June, 2021
Current fares can be found near ticket vending machines, online at bart.gov and using the official BART app. Regular BART fares can only be paid using Clipper.

CLIPPER®

Clipper is the Bay Area's all-in-one way to pay for transit fares. Cash value can be added to Clipper and used for various Bay Area transit operators. Clipper cards can be purchased at fare machines in all BART stations. Or, load Clipper onto a phone with Apple Pay or Google Pay and manage the balance with the Clipper app. There is a one-time \$3.00 fee to setup Clipper.

A minimum value is required to enter the BART system, so it is best to load fare on your card before entering. Each passenger must have their own physical or digital Clipper card.

Visit www.clippercard.com to learn how to apply for Clipper discounts for Seniors (age 65 and up), Youths (age 5-18), persons with disabilities, START means-based program or to add a BART High Value Discount (stored as a separate "purse" on the card).

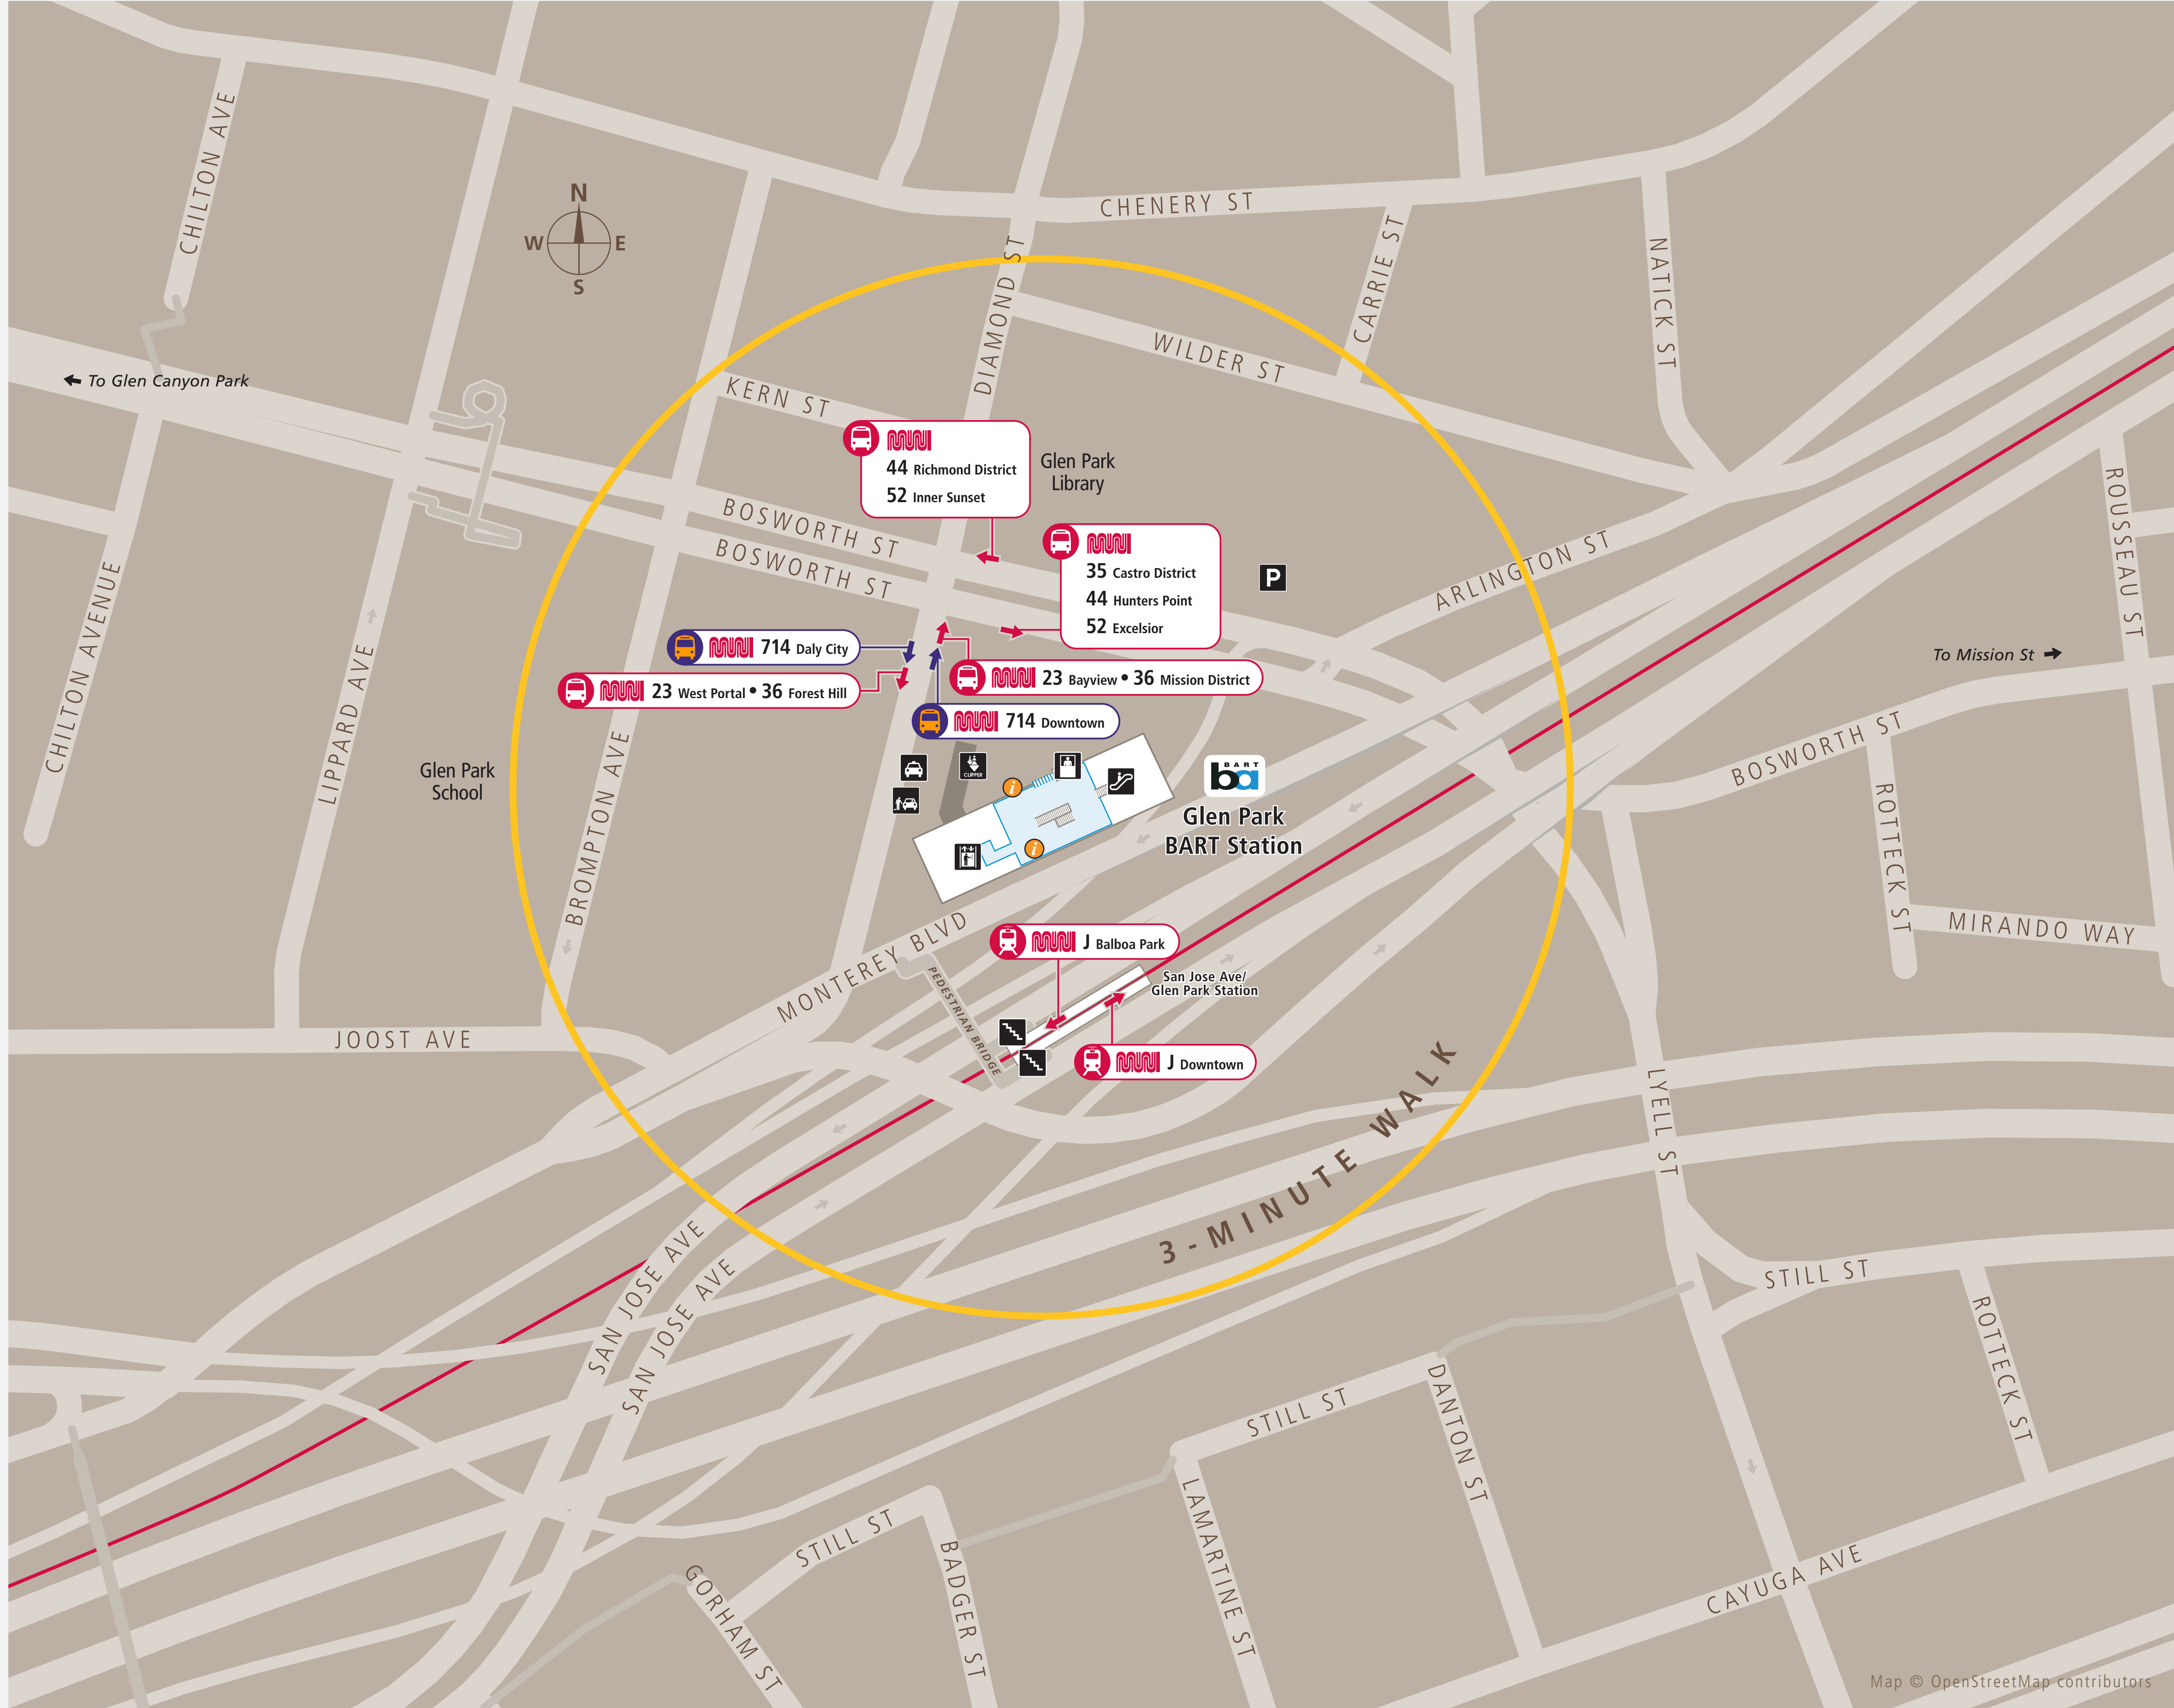

BART EXCURSION FARE

BART's Excursion Fare allows you to tour the BART system for up to three hours, if you enter and exit at the same station. To avoid being charged the excursion fare if you enter the system and need to leave before riding a train, see a Station Agent.

Schedule Information

effective September 12, 2022
Check before you go: up-to-date schedules are available on www.bart.gov and the official BART app. Overhead real-time displays can be found on station platforms. A reference guide to transfer information for trains without direct service is shown.

511 Real-Time Departures

511 provides free, up-to-the-minute departure times for the transit agencies to the left that have this symbol. Other Bay Area transit agencies will be added in the future.

To find out when your next bus or train will depart, check nearby displays or simply call 511 and say "Departure Times." You'll then be asked to enter your Stop ID number. If you don't know it, you can say your agency name, and the system will prompt you to enter your route and stop. 511 will respond with departure times for your route and will also include the Stop ID for future use. You may also look up your stop's ID online at 511.org.

Bicycles on Transit

Rail/Ferries: Bicycles are allowed on all Bay Area ferries and nearly all rail lines. Exceptions are San Francisco Muni Metro, historic streetcars, and cable cars.

Buses: Nearly all Bay Area public transit buses are equipped with bicycle racks.

General: While bicycles are allowed on most transit services, there are some space limitations and, in some cases, times when bicycles are not allowed on board. For specific transit operator policies and procedures go to 511.org and click on the bicycling tab, or call 511 and say "bicycling" to speak to an operator who can answer your questions.

²A single ride fare on Muni is good for 2 hours of travel, whether it be on a single route or a trip with multiple transfers across buses and light rail.

³You can load cash value onto Clipper³ to pay for single rides. When you tap your card or phone with Clipper³ mobile wallet on the reader as you board, a 1-hour transfer will be stored to your card. You must tap your card each time you board a vehicle.

⁴Change is not provided on bus or light rail vehicles. Customers paying cash at Muni Metro light rail stations must purchase a Limited Use Ticket from a Ticket Vending Machine (TVM) located outside of the faregates. Tickets sold at TVMs expire 90 days after purchase.

When riding the bus, the driver will hand you a fare receipt (often referred to as a "transfer"). Keep this with you at all times, regardless of whether you plan to transfer to another route or not. If the driver does not hand you a receipt, remember to ask for one. Riding Muni without proof of payment can result in receiving a citation and heavy fine, so keep your receipt! This receipt must also be shown to a station agent when transferring to light rail in a Muni Metro station for faregate access. A Limited Use Ticket purchased from a TVM electronically records the transfer time.

⁵Senior & Disabled cable car fare:
7am-9pm: \$8.00
9pm-7am: \$4.00

Customers must have a valid Muni fare receipt, pass, ticket, MuniMobile² ticket or Clipper³ card when riding any bus, streetcar, or Muni Metro train, or when in the paid areas of Muni Metro stations. Transit Fare Inspectors or other authorized personnel may issue citations for failure to display proof of payment. Customers with valid proof of payment may enter through any door of any Muni vehicle.

Visit sfmta.com/fares or call 311 for answers to any fare-related questions, or to learn about income-based discounted/free fare programs for San Francisco residents.

MuniMobile² App: Download MuniMobile² app on Apple App Store or Google Play. Purchase Muni bus, rail, Cable Car and day/night-day passes with the push of a button. Fares are validated visually; just activate ticket upon entry or boarding.

Clipper³ Card: Board any door and tap your card on the Clipper³ reader. In Muni Metro stations, tap your card on the fare gate reader upon entry. Visit sfmta.com/clipper or call 311 for more information.

Cash: Board through the front door and insert bill/coins into the farebox; use exact change only. Take a fare receipt to use as proof of payment and to transfer. Fare receipts are valid for 90 minutes on any Muni vehicle except on Cable Cars. In Muni Metro stations, use ticket vending machines.

¹Youth 18 & under ride free with the exception of cable car unless they have been issued a Free Muni pass (SF Youth only).
