San Francisco Bay Area Rapid Transit (BART) rail service connects the San Francisco Peninsula with Oakland, Berkeley, Berryessa, Walnut Creek, Dublin/Pleasanton,

and other cities in the East Bay, as well as San Francisco International Airport (SFO) and Oakland International Airport (OAK).

Fare Information effective June, 2021

Current fares can be found near ticket vending machines, online at bart.gov and using the official BART app. Regular BART fares can only be paid using Clipper. **CLIPPER®**

Clipper is the Bay Area's all-in-one

way to pay for transit fares. Cash value can be added to Clipper and used for various Bay Area transit operators. Clipper cards can be purchased at fare machines in all BART stations. Or, load Clipper onto a phone with Apple Pay or Google Pay and manage the balance with the Clipper app. There is a one-time \$3.00 fee to setup Clipper.

A minimum value is required to enter the BART system, so it is best to load fare on your card before entering. Each passenger must have their own physical or digital Clipper card.

Visit www.clippercard.com to learn how to apply for Clipper discounts for Seniors (age 65 and up), Youths (age 5-18), persons with disabilities, START meansbased program or to add a BART High Value Discount (stored as a separate "purse" on the card). **BART EXCURSION FARE**

BART's Excursion Fare allows you to tour the BART system for up to three hours, if you enter and exit at the same station. To avoid being charged the excursion fare if you enter the system and need to leave before riding a train, see a Station Agent.
